EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Anthony Lombardi on April 27, 2007.

The application has been amended as follows:

In the Claims:

Claim 21:

line 3, delete "is operable to"

line 4, replace "receiving " with -- receives --

line 11, replace "determine" with -- determines --

line 13, replace "check" with -- checks --

lines 14-15, replace "the front end component being operable to register the user in the curriculum." with -- wherein the front-end component registers the user in the curriculum.--

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Patentability seen in, although not limited to independent claims 1, 11, and 21: the combination of elements specifically claimed including the features of providing a system and computerized method for managing curriculum, wherein the content and structure of the curriculum is defined generically; wherein curriculum type elements are arranged according to a curriculum type definition that specifies interchangeable or alternative curriculum type elements that provide valid sequences of the curriculum; and automatically

determining a sequencing of the curriculum type elements. The closest prior art of record does not teach or fairly suggest the claimed features in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
